

ATP SCHEDULE: 2007-2008

Here is the schedule for ATP this year. There will be twice a month didactic classes in room B from 9:00-10:45. Generally these will be the 1st and 3rd Wednesdays of the month but there are a couple of exceptions due to holidays or presenter scheduling needs.

There is also a once a month Community Meeting that happens in room A from 11:00-11:50 on the first Wednesday of the month that is attended by all WTC students. The Community Meeting (also called the 11 o'clock meeting) is the place where clinical and administrative issues are discussed. These include: intake and client assignment matters, broad clinical questions with or without policy implications, record keeping and paperwork questions, building issues, and information pertaining to the larger agency..

We will meet weekly for Case Conference in room C from 12:00-1:30. The Case Conference will serve as group supervision with clinical case presentations as well as time for clinical questions and professional development issues. Case Conference will be co-led by Elena Moser, LCSW and Robin Fine, Ph.D.
